The weekend is a Diocesan initiative and will be run in partnership with the the Briars Team. The retreat is called 'Courageous', as it is hoped that through talks, Mass, Fellowship, Adoration, Praise and Worship, Reconciliation and Healing, that all who attend will be built up in the courage of their faith to become better followers of Jesus Christ. ### Peoples' Ponderings

Fr Emmanuel and myself have returned from a fruitful retreat in Rome with some of the clergy of the Diocese. It was an opportunity for us to reflect on the Letter of St Paul to the Romans and to consider the great work and sacrifice of the early Christian communities in Rome.

When we visit Rome today, we of course are in awe of the many beautiful Basilicas but it is worth remembering that the early Church started in small family homes. It was there that family and friends learnt of the love that God has for his people and they gained the strength to spread that love throughout the world.

For the faith to become strong again in our lands, it needs to have a strong basis in our homes. The family home is the domestic Church and is the place in which we need to share our own experiences of God's love.

During the week Mass was offered for your intentions and I remembered you all at the tomb of St Paul.
