The Pope's Prayer Intention for March 2019. Evangelisation: that Christian communities, especially those who are persecuted, feel that they are close to Christ and have their rights respected.

### Deacon Bernard Croft RIP

This Monday we celebrate the Requiem Mass for Deacon Bernard. We will be welcoming priests from across the deanery and those who have spent time in this area and worked with Deacon Bernard. Please continue to pray for the repose of his soul and for his family and friends who mourn his passing. I have had initial discussions regarding the windows to be installed in his memory and once we have designs, I will share them with you all. It will be next year before the windows are installed.

### Parish Giving

This weekend across the diocese, we are asking people to consider ways in which we can increase our offertory income, to help us in our mission of spreading the Gospel. It is also an opportunity for me to thank you for all your generous giving over the past 12 months, it is much appreciated. In the past year here at Holy Souls we have installed new electric doors on the hall, to improve the disability access and done other general maintenance work. The big expenditure in the coming year will be the redecoration of the church, which I hope will be starting in the coming months. The redecoration is possible due to the generous legacies that have been left to the parish in peoples wills. I am of the opinion that this money was not left to us to sit in a bank account but rather to help with the upkeep and improvement of the Church. With this in mind, we have to ensure that we have enough general funds to cover the running costs of the parish etc. So please do consider the following;

1. Review the amount of your weekly offering, for example; work one hour a week for the Church or to give the price of a pint or a bottle of wine.
2. Sign up to the Gift Aid scheme – which means that we can claim 25p for every pound donated from the government (no extra cost to you)
3. Set up a standing order
4. To leave a legacy in your will. **Forms with these details are available at the back of the Church.**

### St Joseph and St Dymphna – Luddington

Earlier this week the sale of the Chapel of ease at Luddington was completed. The chapel was built in 1877 so 142 years ago! So, it is a place that will hold many memories, especially for the people of Luddington. It is never a nice thing to close a church but alas it is a sign of the times that we live in. It is challenging enough for us to keep all the Parish Churches going, let alone a Chapel of ease. On one of my visits to the Church, I reflected on how incredible it must have been to hear the Church bell ringing and watching the workers coming in from the fields and walking towards the Church. Sadly, if the bell was rung today, there would be nobody to come in from the fields. St Joseph and St Dymphna played a vital role in giving access to the sacraments for the people working in that area, so my plan is to have Mass to remember all those who played a role in Luddington. This will take place sometime in the Summer. St Joseph and St Dymphna – Pray for us!
