*The Pope's Prayer Intention for May 2019.* Evangelisation: that the Church in Africa, through the commitment of its members, may be the seed of unity among her peoples and a sign of hope for this continent.

### Peoples Ponderings

This week we have heard the worrying news about the Steel Works in Scunthorpe. This period of uncertainty is not easy for anyone and I am aware that so many people's jobs are connected either directly or indirectly with the steel works. On Thursday I joined with other Christian Churches to pray for the town, and I think that this is a time when we must all pull together. Sadly, it does seem that the government is currently fixated on Brexit and who sits in number 10. We can only hope and pray that they will not allow these things to distract them from the important role of governing and helping to provide work for the people.

St Joseph, the worker – Pray for us.
