Peoples Ponderings

Work in Church

We have placed signs on your entrance to the Church, to warn of the uneven floor and dust in the Church; please do take extra care when walking around. If you suffer with asthma, or other breathing problems, I'd advise sitting in the Hall for Mass – where you can hear what is going on and communion will be brought to you.

We are currently at the most disruptive part of the work on the Church. Once the work on the wooden floor has been completed, we will then start to place the tiles down the middle aisle and at the front of the sanctuary. I am sure when the work has been completed, the inconvenience of these couple of months will be worth it.

I am grateful to those who came and help clean the Church on Saturday and would ask for others to come and give a hand this coming Saturday.

Distribution of Holy Communion during work on the floor

For safety reasons, we will distribute Communion under one kind at all Masses and we will not use the Altar rails. Please be extra careful when going back to your seats after receiving Communion.

Fr Neil
