Organ Demonstration

Next weekend we welcome Douglas Henn-Macrae who will be bringing an organ for us to listen to. The organ will be set up on Saturday afternoon and there will be a chance to hear it during the Saturday evening and Sunday morning Masses, and also after both those Masses there will be a further demonstration and an opportunity to ask questions. Unfortunately Douglas is not able to stay for Sunday evening Mass so if you would like to hear the demonstration organ please attend one of the other two Masses next weekend. Douglas has asked me to emphasise that the main purpose of his visit will be so that we can hear what the organ will sound like rather than to see how it will look.

Prayer for the Jubilee of Mercy

Lord Jesus Christ, you have taught us to be merciful like the heavenly Father, and have told us that whoever sees you sees him. Show us your face and we will be saved.

You are the visible face of the invisible Father; let the Church be your visible face of forgiveness and mercy in the world. You willed that your ministers would feel compassion for those in ignorance and error: let everyone who approaches them feel loved, and forgiven by God.

Send your Spirit and consecrate every one of us with its anointing, so that the Jubilee of Mercy may be a year of grace from the Lord, and your Church, with renewed enthusiasm, may bring good news to the poor, proclaim liberty to captives and the oppressed, and restore sight to the blind.

We ask this of you, Lord Jesus, through the intercession of Mary, Mother of Mercy; you who live and reign with the Father and the Holy spirit for ever and ever. Amen.

Canon's Ramblings

Even the space of a week can bring a rich variety of experiences in the life of a parish priest, but I have rarely known a week as varied and diverse as the one just ended. Events around Holocaust Memorial Day took me to the Civic Centre and to St Bede's School as well as the talk I gave in our parish centre. This week also saw me attending the Ordination of two new Bishops at Westminster Cathedral and getting back to Scunthorpe in time for the start of our Confirmation Programme. To add to the variety I also had to attend a Health and Safety training event in Grimsby. This was all in addition to my usual duties in and around the parish. There was little possibility of me getting bored!

Sometimes life as a priest can be like this, at other times it can be somewhat quieter, however that is part of the wonder of being a priest. Above all weeks like last week make me appreciate all the more the importance of your prayers for me, so thank you all very much for them. Let us pray for one another!
